Rev. Canon Rollo,  
Trinity College,  
Toronto.

My dear Canon Rollo:

I have just received your letter with the accompanying testimonials, and there is at present no opening in University College such as would suit you. The position that was held by Professor Benzinger will be taken next winter by Professor Craig, recently of the University of Michigan.

Positions carrying the salary that you mention are often rather difficult to get, as the vacancies are comparatively few, but I will keep your letter in mind.

I am sure that Mrs. Falconer will thank you for your kindness in sending her the copy of the In Memoriam Verses, which we shall both have much pleasure in reading.

I am,

Yours sincerely,

President.
